WARNING:

- The purchase of a craft from a Member does not entitle the purchaser to membership of the Club or to a marina within the Club. You must apply for membership of the Club, be accepted to membership and then apply for a marina license. Please ask the Manager for further details.
- The admission to membership does not automatically entitle you to take over or occupy any marina occupied by the vessel purchased by you. You must apply for a marina agreement in your own right. Please see the office for a copy of a Marina Agreement.
- If you have purchased or are purchasing a boat moored within the Eildon Boat Club harbour, please provide the following details and fill in **Transfer of Ownership form**:
- No marina license will be granted, nor will any assignment be consented to if there are any marina fees owing.
 - Please enquire from the Club Manager whether there are any outstanding marina fees owing by the previous Owner to the Club.
 - You should take into account and adjust any outstanding marina fees with the vendor when negotiating the purchase of the craft.
 - The Eildon Boat Club reserves the right to reposition the boat to a similar pen on another marina at its discretion.
- If you are purchasing a craft from a member, you must apply for a marina pen, mooring or dry storage license, and lodge the application with the Manager, together with the appropriate fee and a Certificate of Currency from an insurer/underwriter covering each craft for public liability for at least \$10,000,000.00.

I declare the information supplied in this Application is true and correct.
